

Product Line

FORTIDIN

Type

RM-FR-D14B
RM-FR-D14C

Supported Models

DIMENSIONS DIN Rail
COLOR RAL 9003 White
PRODUCT DIMENSIONS 89 x 235 x 221 mm
(height x width x depth) 3.5 x 9.25x 8.7 in

MOUNTING INSTRUCTIONS

1. Remove the 4 rubber feet from your FortiGate.
2. Remove the screws on the left and right side of the FortiGate.
3. Connect the FortiDIN and FortiGate with the network and USB cables. Make sure the cables are linking the correct ports.
4. Connect the power supply and the grounding cable.
5. Place the unit in the rack and make sure the cables run free from the holder.
6. Use the M3-6 screws to secure the FortiGate to the FortiDin on the left and right side.
7. Use the M3-55 screws to secure the FortiGate from the bottom to the FortiDin. Make sure to line up and lower the screw in a straight line. Only 1 of 2 screws will be sufficient.
8. Plug the female terminal block in the male terminal block and secure it by tightening the screws.
9. Place your FortiDIN on your DIN-Rail
